IPad/iPod Touch Resources

Recently there was a news story on 60 Minutes about the use of iPads with children who have Autism.

There are many apps available that you can use with your children to support what they are learning in school. Some of these are for use on the Ipad and some are appropriate for the iPod Touch as well. Most of the apps cost between \$.99 and \$2.99.

Math- There are many apps available that were created by the publisher of the EveryDay Math curriculum.
