

Dear Sixth Grade Students and Parents/Guardians,

Hello! Welcome to Sixth Grade!

Your team teachers this year are Mr. Matthew Hammond, Mrs. Debby LeBlanc, Mrs. Jennifer Levesque, and Mrs. Dawn Spring. We work together to plan and provide students with the most meaningful learning experience possible. We share the responsibilities of teaching all sixth grade students. We have high academic and social goals for each sixth grader, which includes our school motto of Respect, Responsibility, and Positive Relationships in all of our daily activities. Each of us has a great sense of humor. We are happy to provide you with a safe, friendly, and relaxed environment in which to learn.

Students, for the first few days of school, we will be in the process of getting to know you. Please be prepared to share something about yourself. It may be something you wrote, won or made that has special meaning to you.

Parents, in a sincere effort to get to know your child's learning style and personality, feel free to write down some information about your son or daughter that he or she can bring on the first day of school. Things you could include are: your academic and social goals for your child, your child's hopes and fears, or anything else you would like us to know to better assist your child in the whole sixth grade experience. Good communication is key to your child's success. Please share with us the most convenient way to contact you.

If you have any questions, please do not hesitate to call the school at 529-7555 or email us at: matthew.hammond@sau24.org; debby.leblanc@sau24.org; dawn.spring@sau24.org; jennifer.levesque@sau24.org. Enjoy your summer and know that we are committed to helping your child reach his or her goals while having the best year ever!

Sincerely,

Matthew Hammond
